Northwest Federal Credit Union Participated in Chamber's Ethics Days

Herndon, VA, November 27, 2007 – Northwest Federal Credit Union (NWFCU) participated in "Ethics Day" at both the Greater Reston Chamber of Commerce (GRCC) and the Dulles Regional Chamber of Commerce (DRCC). Ethics Day is an annual Chamber event. Students discover their values and determine how their actions will affect ethical decision-making scenarios in the workplace and society.

NWFCU's six employees volunteered as table leaders for The Dulles Chamber's event on November 19th along with other chamber members. The Chamber partnered with Westfields High School and Mountain View School to provide an interactive program that included a mock trial and workplace dilemmas for hundreds of sophomores.

On November 20th, NWFCU employees volunteered for the GRCC's event with South Lakes High School. Hundreds of juniors took part in four different ethical dilemmas. Table leaders had the unique opportunity to interact with local students, help facilitate interesting discussions, and encourage conversations about ethics.

"Northwest Federal Credit Union is dedicated to working with the community, and encouraging our young people to be active and ethically responsible citizens," said NWFCU CEO and President Juri Valdov. "We are pleased to be able to co-sponsor Chamber events like Ethics Day that promote critical thinking and positive behavior."
