Pre-Approved Auto Loan (PAL)

A pre-approved loan (valid for 45 days) puts you in the best bargaining position with the dealer because it's like shopping with cash, allowing you to negotiate the best price without financing involved in the discussion. We'll work with you to determine a price range to fit your monthly budget and provide you with a check once approved. When you've found the car of your choice, simply endorse your PAL check, give it to the dealer, and drive home in your new car.

Online Car Buying Service

TrueCar®

Visit nwfcu.truecar.com to search online for new and used vehicles nationwide. You'll be able to research vehicles, read reviews, and receive actual price quotes on vehicles from dealers in your area. Get a new car Guaranteed Savings Certificate or used vehicle Price Certificate and enjoy a hassle-free experience from certified dealers. Plus, you'll save an average of \$1,824* off manufacturer's suggested retail price (MSRP) on new vehicles!

Vehicle Protection

We offer several optional vehicle protection services for your peace of mind.

Guaranteed Asset Protection (GAP)

GAP makes up the difference between what insurance covers and what you owe on your loan, in the event your vehicle is stolen or damaged beyond repair. Plus, you can get a \$1,000 allowance to finance a replacement vehicle with Northwest. Speak with a loan officer to learn how you can roll GAP coverage into your monthly auto payments for just a few dollars more per payment when financing your vehicle through Northwest.

Mechanical Breakdown Protection

As time goes on, the chance of mechanical failure on your vehicle increases. Advanced electronics, complex systems, and rising labor costs mean a repair may cost you thousands. Protect yourself against future costly repairs with Mechanical Breakdown Protection on new or pre-owned vehicles.

Auto Insurance**

You may be able to save hundreds or even thousands of dollars by shopping insurance rates. Our trusted insurance agents will carefully evaluate your needs and shop for you among a network of top-rated auto insurance providers. Visit nwinsagency.com to request a personalized, no-obligation quote today.

Debt Protection Plans

Depending on the plan you choose to purchase, Debt Protection cancels your loan balance or loan payment if a protected event occurs. To learn more about our Death Protection, Disability Protection, or Involuntary Unemployment Protection plans, speak with a representative when applying for your auto loan.

*Between 1/1/2021 and 12/31/2021, the average savings off MSRP experienced by consumers who connected with a TrueCar Certified Dealer through a TrueCar-powered auto buying program and who were identified as buying a new vehicle from that Certified Dealer was \$1,824. Your actual savings may vary based on multiple factors, including the vehicle you select, region, dealer, and applicable vehicle-specific manufacturer incentives, which are subject to change. The MSRP is determined by the manufacturer and may not reflect the price at which vehicles are generally sold in the dealer's trade area, as many vehicles are sold below MSRP. Each dealer sets its own pricing.
