Visit Shared Branches Nationwide

What is a shared branch?
A shared branch is a credit union location that belongs to a cooperative network. When you visit a shared branch, you can conduct many of the same transactions that you would at a Northwest Federal branch.

What can I do at a shared branch?
Through the shared branch network, members can:
• Make deposits, withdrawals, transfers and select loan payments
• Get cash advances and make balance inquiries

How do I use a shared branch?
Your Northwest Federal primary savings account number (and sub-accounts, if applicable) are already registered in the shared branch database. You will need a valid I.D. and your Northwest Federal account number to conduct transactions on your account at a shared branch location.

How do I locate a shared branch near me?
It’s easy to find a shared branch near your home, office or wherever your travels may take you by using:
• Our Mobile Banking app or
• Our online Locator Wizard.
  1. Visit our website, nwfcu.org
  2. Select “Locations” at the top right
  3. At “Locate,” enter your ZIP code and click “Go”

*Services, hours and cash limits may differ at each location. Please contact the branch you would like to visit to confirm availability.
