*APY = Annual Percentage Yield. The Annual Percentage Yield is based on dividends posted and compounded monthly and will remain in the account until maturity. Any withdrawal will affect the APY calculation and result in reduced earnings.

Rates current as of August 23, 2021 and subject to change without notice. A penalty may be imposed for early withdrawal. Fees could reduce the earnings.

Certificate Disclosure

Rate Information: The dividend rate and annual percentage yield (APY) are as stated on the Rate Schedule. The APY assumes dividends will remain on deposit until maturity. A withdrawal will reduce earnings.

Compounding and Crediting: Dividends are posted and compounded monthly. If you close your Certificate before dividends are credited you will receive accrued dividends, unless they are part of the penalty.

Minimum Balance Requirements: The minimum balance required to open a Regular or IRA Certificate is \$1,000. The minimum for Add-On Certificates is \$500 and for Youth Add-On Certificates it is \$100.00.

Balance Computation Method: Dividends are calculated using the daily balance method, which applies a daily periodic rate to the full amount of principal for each day.

Accrual of Dividends: Dividends will begin to accrue on the business day you deposit noncash items (e.g., checks).

Transaction Limitations: Withdrawals prior to maturity are subject to the early withdrawal penalties stated below. Additional deposits are permitted for Add-On Certificates only and there are no limitations on the frequency or amount.

Maturity: Your account will mature on the date provided when opening or renewing your certificate.

Renewal Policies: Your Certificate account may, at the Credit Union's discretion, automatically renew at maturity. If renewed, a Certificate Maturity Notice will be sent at least twenty (20) calendar days prior to the maturity date. If there is no response to the notice, and the Certificate continues to be offered, the Certificate will automatically renew at the rate determined to be in effect on the maturity date and for the same term. You will have a grace period of ten (10) calendar days to withdraw the funds in the account without being charged an early withdrawal penalty. Dividends will be paid at the renewal dividend rate on withdrawals made during the ten (10) calendar day grace period. If your Certificate account is not renewed, the balance will be deposited to your share account.

Early Withdrawal Penalty: We will impose a penalty if you withdraw any of the principal before the maturity date. For a term of six (6) months or less, the penalty will be 90 days of dividends on the amount withdrawn. For a term greater than six (6) months and less than two (2) years, the penalty will be 180 days of dividends on the amount withdrawn. For a term equal to or greater than two (2) years the penalty will be 365 days of dividends on the amount withdrawn.

For an IRA withdrawal made within seven (7) days of issuance the penalty will be the dividends earned on the amount withdrawn.

If a withdrawal reduces the balance below the required minimum, the account will be closed and the applicable penalty imposed.

Non-transferable: The ownership of this account cannot be transferred outside of the Credit Union. Joint owners can be removed and/or added with the written consent of all owners.

Exceptions to Early Withdrawal Penalties: At our option and as permitted by law, we may pay the account before maturity without imposing an early withdrawal penalty when: a) An account owner dies or is determined legally incompetent b) An IRA owner reaches age 59 ½ or is disabled.
