

Visit Shared Branches Nationwide

What is a shared branch?

A shared branch is a credit union location that belongs to a cooperative network. When you visit a shared branch, you can conduct many of the same transactions that you would at a Northwest branch.

What can I do at a shared branch?

Through the shared branch network, members can*:

- Make deposits, withdrawals, transfers and select loan payments
- Get cash advances and make balance inquiries

How do I use a shared branch?

Your Northwest primary savings account number (and sub-accounts, if applicable) are already registered in the shared branch database. You will need a valid I.D. and your Northwest account number to conduct transactions on your account at a shared branch location.

How do I locate a shared branch near me?

It's easy to find a shared branch near your home, office or wherever your travels may take you by using:

- Our Mobile Banking app or
- Our online Locator Wizard:
 1. Visit our website, nwfcu.org.
 2. Select "Branches & Locations" at the top right.
 3. Select "View Branch Locator," enter your ZIP code and click "Go."

*Services, hours and cash limits may differ at each location. Please contact the branch you would like to visit to confirm availability.
